

A NEW CHURCH INITIATIVE FOR DONCASTER

AT
St Mary's
WHEATLEY

Christ Church Fulwood is sending a church graft into the centre of Doncaster, a large town inadequately reached for the gospel. A conservative evangelical minister will lead this exciting initiative. Sheffield Diocese has secured significant funding to add to the team. "Come over and help us" (Acts 16:9).

Children's Worker

- Leading our ministry on Sundays, developing it mid-week, and strengthening links with local schools
- One-to-one and small group word ministry

Associate Minister

- Preaching and / or music ministry
- One-to-one and small group word ministry

Proven ability in gospel ministry? Excited to serve a new venture with all the heartache and joy it will bring? Keen to work closely with a small, encouraging staff team?

I'd love a conversation. Contact Andy Thomas at dedicatetodoncaster@gmail.com by Friday 15th September, 5pm.
